

The written instructions are on the next page.

If you are approaching Colchester on the A12 from **Chelmsford / London**, **ignore the exit to Halstead (A1124)** at Junction 26. Watch for the overhead gantry, where the inside lane is marked for Colchester (A133) and **becomes the slip road** for Junction 27 (see the extreme bottom-left corner of this map). It is also possible to leave the A12 at Junction 29 at the top-left (slip road not shown).

If you are approaching from **Ipswich**, take the **A1232** exit marked "Colchester" at Junction 29. There is **NO EXIT for London-bound traffic** at Junction 27 at the bottom-left of this map.

The church's car park is behind the church, accessed from Magnolia Drive by the road at the left of the church building.

- **Approaching Colchester from London (via A12)**

Exit the **A12** at Junction **27**. At the exit roundabout, take the **A133** (signed for **Colchester** and the **University**). Go straight across two roundabouts, three sets of traffic lights and a third roundabout (which is a double roundabout). After passing **Waitrose** on your left, turn **left** at the next roundabout (**A137** to **Manningtree** and **Ardleigh**). Continue on this road until you reach a mini roundabout – fork **right** here. Take the second turn on the **right** (opposite a **Tesco Express**). Continue on this road until you come to a zebra crossing – turn **left** immediately after this crossing and the church will be on your **right**.

- **Approaching Colchester from Ipswich (via A12)**

Exit the **A12** at Junction **29**. At the exit roundabout, take the **A1232** (signed to **Town Centre**). Go straight across a set of traffic lights and then turn **left** at the roundabout. Follow this road (you will pass over a rail line at one point) until you reach a mini roundabout. Turn **right** here and then turn **left** at the next mini roundabout. Take the second turn on the **right** (opposite a **Tesco Express**). Continue on this road until you come to a zebra crossing – turn **left** immediately after this crossing and the church will be on your **right**.

- **Approaching Colchester from Clacton (via A133)**

After passing the university campus on the left and the “Knowledge Gateway” traffic lights, you will arrive at the **multi-roundabout**. Take the exit marked for **Greenstead** and **Longridge Park**. Follow this road (**Avon Way**) until you meet a mini roundabout, and turn **left** here. Continue on this road (passing through a chicane at one point) until you pass the **Community Centre** on your left. Take the next **right** turn (just before a zebra crossing) and the church will be on your **right**.

(If you approach Colchester on the **A120**, take the exit signed for the **A12** for **Ipswich** and the **A1232** for **Colchester**, and follow the instructions above for approaching from Ipswich, taking the **A1232** towards the **Town Centre**.)
